

Scene Magazine 2011 Holiday Gift Guide Copy

2012 Land Rover Range Rover Autobiography Ultimate Edition

\$170,000

There is nothing Low key about this ride. With only 50 being released in the United States and 500 worldwide this is a unique gift that answers the question: What do you get the guy who has everything? With all the luxury of a private jet on the ground this Range Rover boasts a champagne chiller, iPads on the back of the front headrests and four captains chairs. With a V-8 engine and 510 horsepower this car packs the punch to get him anywhere he wants to go-in a hurry.

Giorgio Armani's 22-karat Gold Aviator Sunglasses

\$1,350

Gold Plated Giorgio Armani sunglasses scream luxury. For the first time **Armani** Eyewear has incorporated exotic leathers and precious metals into sunglass collections. The Armani gold aviator frames come embellished with Indian water buffalo horn, dark green polarized lenses and a brown leather case. Pair these beauties with a copy of Top Gun and he'll be ready to fly higher than Maverick.

Superman comic first edition

\$1.5 Million

This is the perfect gift for the collector and the kid at heart. This first edition comic book introduced the world to a new genre, superheroes. That's right, before superman there was no such thing as a superhero. So if he loves vintage comics and longs for the old school action of the original superman this is the perfect present. Gift him this and you're certain to be his Wonder Woman.

Detox high performance professional headphones

\$600

The Limited Edition Detox headphones were designed by Dr. Dre himself and offer deep bass response and superior sound isolation. Treat the music lover in your life to music the way the artists intend for it to be heard. With a durable and lightweight aluminum frame he can love listening for years to come.
